NOTICE

Subject: Publication of List of Shortlisted Candidates for interview for the Contractual Posts of Project Scientist III under 'Mission Mausam' (Advt. No. 02/2025).

Reference is invited to Advertisement No. 02/2025 issued for filling up various contractual positions under the 'Mission Mausam' scheme in the India Meteorological Department (IMD). This notice specifically concerns the screening outcomes for the posts of Project Scientist III (Post Codes 02 to 06).

In pursuance of the criteria laid down in the advertisement, a duly constituted Screening Committee has comprehensively evaluated all applications received for the post of Project Scientist III. The screening was conducted with strict adherence to the prescribed essential qualifications, relevant post-qualification experience, and optimized academic weightages to ensure parity and select the most eligible candidates.

The comprehensive summary of the screening and the number of shortlisted candidates, is detailed below:

Post Code / Post Name	No. of Vacancies	Total Applications Received	Candidates Shortlisted (Screened In)
02/ Project Scientist III (Weather & Climate Services) AgroMeteorological Advisory Services	02	647	16 (As per Annexure-I)
03/ Project Scientist III (Upgradation of Forecast System) Upgradation of Hydro Meteorological Services	01	416	07 (As per Annexure-II)
04/ Project Scientist III (Atmospheric Observations Network) Surface Instrumentation Division	04	564	22 (As per Annexure-III)
05/ Project Scientist III (Atmospheric Observations Network) Doppler	04	539	22 (As per

Post Code / Post Name	No. of Vacancies	Total Applications Received	Candidates Shortlisted (Screened In)
Weather Radar			Annexure-IV)
06/ Project Scientist III (Upgradation of Forecast System) NWFC	02	591	14 (As per Annexure-V)

For the preparation of the merit list, candidate rankings were determined based on a uniform evaluation formula:

$$\text{Score} = (\text{Essential Qualification} \times 5) + (\text{Marks in Essential Qualification} \times 5) + (\text{Desirable Qualification} \times 2) + (\text{Ph. D.} \times 2) + \left(\frac{\text{Experience}}{\text{Scaling factor}} \times 5 \right).$$

To ensure parity a scaling factor (**20** for PC (02, 03 and 06) and **21** for PC (04 and 05)) for experience was modified based on the maximum years of experience carried by any single applicant within that specific post code, effectively ceiling the total experience weightage at 5 marks and capping the final aggregate score at **19**.

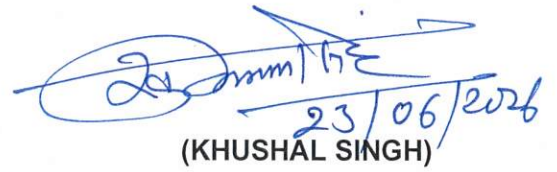

The comprehensive post-wise lists of candidates who have been successfully shortlisted based on the screening criteria are attached herewith as Annexure-I to Annexure-V. These lists are arranged in accordance with the respective post codes specified in the table above.

The shortlisted candidates are provisionally qualified to proceed to the next phase of the selection process. The detailed schedule, venue, and specific guidelines regarding the interview stage will be communicated independently to the registered email addresses of the qualified candidates.

Candidates are strongly advised to regularly monitor their registered email accounts and visit the official website of the India Meteorological Department (IMD) for timely updates and official announcements.

Representations or grievances, if any, regarding the screening outcome must be submitted formally via email to the recruitment cell at imdrecruitment2022@gmail.com within seven (07) days from the date of publication of this notice. Please state the Application Number and Post Code clearly in the subject line. No representations or requests received after the lapse of the seven-day deadline will be entertained under any circumstances.

Issued with the kind approval of the Competent Authority.
