Information Sought (जानकारी मांगी):	<p>Masters Degree in Science from a recognized university in Electronics or Instrumentation or equivalent subject with at least 60% marks at the qualifying degree level. or Bachelors Degree in Engineering or Technology from a recognized University in Electronics/ Instrumentation/ Telecommunication Engineering or equivalent subject with at least 60% marks (first class) at the qualifying degree level.</p> <p>A. In the above essential qualifications mentioned for both the post i.e. Scientist D (Instrumentation) and Scientist C (Instrumentation), Electrical/ Mechatronics Engineering is included for Scientist D but it is not mentioned Scientist C, while both the scientist is required in the same field. I am agreed with the Experience parameter, it can be changed/ different as per post level but how basic qualification of B.Tech field can be changed.</p> <p>B. If Electrical/ Mechatronics Engineering is covered under list of equivalent subject then list of equivalent subject is not provided to the candidates, which needs to be provided to the candidates.</p> <p>Kindly provide me the appropriate reply/ solution of my queries and also provide the list of equivalent subjects to the candidates. Waiting for your positive reply.</p>
