| Information Sought : | I am a student who appeared the 4th semester exam and awaiting final results for my MSc Applied Geology degree from KURUKSHETRA UNIVERSITY. I was scrolling through the national centre for seismology and I got intrigued and want to perceive an internship at this place. Please tell me What to do, How to apply, and as I appeared for final exam I think I would not be getting any chairman approval to do internship. If I get disqualified how will I get to know, and if I get selected then how will I get to know. Tell me how much time it takes in the approval or rejection. Please explain full procedure and if there is any prescribed format to apply then also provide that too. If internship is not provided at NCS then can I get an opportunity at IMD, Delhi and give the procedure for that too. If they also did not provide intership opportunity then list me the place where I can do my internship of similar nature under MoES institutes or departments. | |

Government of India

India Meteorological Department

O/o Director General of Meteorology,

Mausam Bhawan, India Meteorological Department, Lodhi Road, New Delhi

Dated: 26/08/2025

Registration Number : IMETD/R/T/25/00045

Dear Sir/Madam

I am to refer to your Request for Information under RTI Act 2005, received vide letter dated 15/07/2025 and to say that *The information pertaining to your query as received from the concerned section of this office is given below:*

The India Meteorological Department (IMD) does not offer formal internship programs. However, the department frequently advertises various contractual positions for scientific and technical personnel under different ongoing projects. These opportunities include roles such as Project Scientists, Research Associates, and Research Fellows.

In case, you want to go for an appeal in connection with the information provided, you may appeal to the Appellate Authority indicated below within **thirty days** from the date of receipt of this letter.

Santosh Kumar S

FAA & DDG (A)
