Dated: 07.06.2021

The Competent authority has constituted a Pre-bid committee of the following members for CAMC of Mirror RTH System at office of CRS Pune. The following officers attended the meeting: -

- | | |
|---|------------------|
| 1. Dr.SankarNath, Sc-E, ISSD,IMD | Chairperson |
| 2. Shri RanjanPhukan, Sc-C,CRS Pune,IMD | Member |
| 3. Shri Sunny Chug, Sc-C, ISSD, IMD | Member Secretary |

A Pre-bid meeting was held through video conference at 11:00 Hrson 22-06-2021. The representatives from the following firms attended the meeting:

1. M/s Aura Emanating Teknology

The queries raised by the firms and IMD's response to these queries are as follows:

Sl No	Tender Document		Existing clause Description	Request for Change/Query	IMD's Response
	Page No	Clause No.			
1.Arrey TM Network					
1	13	Annexure III	Model bank gurantee format for furnishing EMD	Please clarify thatAnnexure (III) MODEL BANK GUARANTEE FORMAT FOR FURNISHING EMD is mandatory to fill if EMD is exempted	The EMD is not applicable for this tender and there is no need to fill Annex-III. The bidder has to submit an undertaking for Tender/Bid Security Declaration as per Annexure-V. Hence Annex-III may be omitted.
2	25	Other documents		We had completed two projects of IMD but still, IMD and similar other government department does not give a payment certificate yet so how we can submit	May kindly be ignored.

				a payment certificate.(This certificate mention in other important document list from Tender details.)	
3	23	(Annexure A)	List of Hardware and Software covered under CAMC of Mirror RTH System at CRS Pune	Project was executed in 2012-2013 and most of the systems and networking hardware are End of life as per OEM ,like Cisco Router and checkpoint firewall from OEMs, will cover this in maintenance by covering and upgrading in AMC by the respecting OEM ?	Yes, Licence has to upgraded in AMC by OEM. In case any item is end of support then equivalent or higher model of hardware item has to be installed by bidder.
4	7	Eligibility & Qualification criterion for Bidders	(III)Authorized Supplier from Original Equipment /Developer of main application software company (OSC) etc. (iv) The bidder shall have to submit authorization certificate from OEM /OSC etc. that they will provide service support after sale. (iv) Integrators/ Authorized dealer/ Supplier/ subsidiary/ Distributors/ Stockiest having full back to back maintenance support agreement for hardware & software from OEM & OSC etc..	Further currently Fujitsu Company is not available in India and equipment, we importspare from abroad and give the support of AMC but authorization cannot be provided by the OEM .and will not be available	Authorization certificate for hardware such as servers, PCs may not be required .However authorization certificate for all the security devices such as router firewall etc and application software is required. In case of any item is end of support then economical model with equivalent or higher configuration hardware item has to be installed

Sunny

			/OSC etc. that they will provide service support after sale. (iv) Integrators/ Authorized dealer/ Supplier/ subsidiary/ Distributors/ Stockiest having full back to back maintenance support agreement for hardware & software from OEM & OSC etc..	mandatory? Because of many system are out of service or End of Life .
